ORCID: 0000-0002-2396-8669

EDUCATIONAL BACKGROUND
Research Management, Copenhagen Business School
University Teaching Programme (Universitetspædagogikum), University of Southern Denmark
PhD in Clinical Nursing, Faculty of Health Sciences, University of Southern Denmark
Master in Humanistic Health Sciences and Practice Development (MHH), Department of Philosophy and History of Ideas, Aarhus University
Authorized nurse and specialist in cancer care

RESEARCH FIELDS
Nursing
Womens health
User involvement
Care and treatment pathways
Prevention and health promotion
Cultural adaption

METHODOLOGICAL COMPETENCES
Field research – observations
Interviews / Focus group interviews
Clinical interventions
Complex interventions

ONGOING RESEARCH

- School-based HPV-counselling and HPV-vaccination in areas with high concentration of ethnic minority children – a user-centred cancer preventing intervention
- Patient education in Greenland: Development and feasibility testing of an intervention to patients with diabetes and chronic obstructive pulmonary disease
- Well-being, Education, and Retention among Greenlandic Nursing Students and Newly Qualified Nurses

COMPLETED PROJECTS: 30

PUBLISHED SCIENTIFIC WORK: 60

SCIENTIFIC PAPERS LAST FIVE YEARS

- Jensen, C. J., Egede, A. K., Olsen, L. L., & Seibæk, L. (2026). Sustaining nursing practice in Greenland: Insights from a positive deviance study on motivation, resilience, and holistic care in arctic healthcare.
